#### What is the Purpose of MBE/WBE Reporting?

The purpose of MBE/WBE reporting is to monitor the grant recipient’s

- Accomplishments in Utilizing MBEs and WBEs;
- Adherence to the Good Faith Efforts (i.e., outreach to MBEs, WBEs, and other DBEs); and
- Progress in Achieving MBE and WBE Goals.

#### What are the Grant Recipient’s Responsibilities for MBE/WBE Reporting?

- Complete & submit EPA Form 5700-52A for each reporting period at a frequency specified in the grant agreement, to the appropriate EPA office and personnel as identified in their financial assistance agreement.
- Submit “negative reports” (e.g., reports where there were no MBEs or WBEs utilized, or no procurement expenditures of any kind were made during the reporting period).

- Collect and retain/document data on MBE, WBE, and Total Procurement expenditures made for the grant project up to the “Total Assistance Agreement Amount” (i.e., the grantee’s total budget).
- Report procurement expenditures from all sources [i.e., the EPA grant recipient, sub-recipients, loan recipients (and the prime contractors of all three entities)].
